

Referee Information

Updated May 2018

These are the standard policies for travel & expense reimbursement for referees coming to the Wolves Spring Rec Cup tournament from outside the Omaha area. Exceptions may be made on an individual basis. We appreciate your interest in the tournament!

Fuel expenses are reimbursed at the IRS charitable / non-profit rate of 14¢ per mile (round trip) for those who live over 25 miles away.

Lunch is provided at the fields for all referees, along with snacks and drinks during other parts of the day. Breakfast is (hopefully) provided at your hotel. Dinner will be provided on Saturday and Sunday for referees working games after 5:00 pm. Games will be scheduled from 8:00 a.m. through about 8:00 p.m.

Referees coming to the tournament just to referee:

If you want to stay by yourself, we will reimburse up to \$65 per night for up to two nights, but you will be responsible for booking your own accommodations. We will provide accommodations, **possibly 2 to a room**, at a hotel of our choice and cover the entire expense if you are traveling with someone or will accept another referee as a roommate.

Referees coming to the tournament as a parent / player / sibling with a team:

If you are coming from out of town with a player / team and want to referee a few games we are happy to work around your team's schedule. We will reimburse mileage at the above rate if you work a **minimum of four (4) games** during the tournament. (Referee or Assistant Referee, any age level, but standby assignments do not count).

We will reimburse 1/3 of your hotel cost [maximum of two nights – room rate and taxes only, no incidental charges are covered] for each referee, or combination of referees in a family in the same room, who work a **minimum of seven (7) games** during the tournament and who are staying at a tournament-affiliated hotel, once you provide us with a copy of your hotel bill.
